To All Parents of Athletes in Montgomery ISD Sports,

### What is BEARBACKERS?

BEARBACKERS is an ALL Sports Booster Club. This club helps with funding for athletic scholarships, improvements to facilities, charter vehicles for playoffs, banners, signs and end-of-season team celebrations for your athlete.

### What benefits do Athletes receive?

Every year Bearbackers awards numerous scholarships to Senior athletes headed off to college. We have budgeted to award as many as 30 scholarships this year.

Recently, Bearbackers donated \$25,000 to supplement the school budget for the purpose of improving practice facilities at both the high school and junior high school.

Other Bearbacker contributions include: purchasing new uniforms for the Junior High and High School athletes, banners in the gym recognizing past champions, signs around the facilities, painted murals in the Junior High gym, purchased EZ Up tents for any sport to use and repaired the football run through.

### How does Bearbackers raise the money?

Our biggest fundraiser is our annual Bearbacker Golf Tournament, which was held this year at April Sound on Sunday, October 25<sup>th</sup>.

Bearbackers sell ads in the High School football programs annually. These programs are sold at all home football games. Merchandise, such as T-shirts, caps, hoodies and stadium seats are also sold for fundraising.

And finally, selling memberships to parents of Junior High and High School athletes.
